

# Medieval Children's Bill Workshop.

## Quote & Event Breakdown.

Prepared by: Mr Edward Nash, Time Jump Histories.

---

## Event Overview

This quotation is for the provision of interactive medieval children's workshops delivered over a bank holiday weekend event. The experience is designed to be educational, hands-on, and engaging for children and family audiences.

Participants will experience:

- How the medieval levy was raised
- Medieval tactics and battlefield formations
- Safe handling and use of wooden medieval bills
- Participation whilst presenters are in full medieval costume
- Interactive demonstrations and audience participation
- A commemorative sticker for every participant at the end of each workshop

Each workshop lasts approximately **15–20 minutes**.

Maximum attendance per workshop: **20 participants**.

---

## Workshop Delivery

### Daily Schedule

- 4 interactive workshops per day
- Up to 20 participants per workshop
- Approximate daily participant capacity: 80 children

### Included Within Delivery

- Fully costumed medieval interpretation
  - Wooden training bills and demonstration equipment
  - Workshop facilitation and audience interaction
  - Public engagement between sessions where appropriate
  - Stickers for all participants
  - Set-up and pack-down time
  - Public liability insurance coverage (if required)
-
